

Checkpoint (Australia) – XYZ Model Financial Accounts Made Easy

Course Outline

Objective

The purpose of the training session is to:

- Provide an overview of the features and functionality of Checkpoint
- Demonstrate how to efficiently locate required information
- Demonstrate how to utilise platform features
- Outline support and help available.

Learning Outcomes

At the end of this session the participant will be able to:

- Locate and browse the XYZ Model Financial Accounts products online
- Bookmark key content
- Conduct a Terms and Connectors search
- Filter results
- Print/email/export/annotate documents
- Locate and open templates and checklists
- Know how to access help.

Audience

Recommended for users that subscribe to XYZ Model Financial Accounts product(s) in Checkpoint.

Session Duration

30 minutes (0.5 CPD points). CPD certificates are available upon request from your Training Specialist

Session Delivery

The training session will be delivered online via Microsoft Teams, which allows the participant to view the trainer's computer screen.

Training Specialist

Allison Patrick is a Training Specialist for TR's Australian and New Zealand Tax and Accounting customers and is focussed on ensuring they get the most out of their Checkpoint subscription.
