Westlaw UK

Introduction to Westlaw UK

Session Objectives

The session introduces Westlaw UK and focuses on navigating the site to locate Cases, Legislation, Journals and Books. The session explains how to use the Global Search using both Natural Legal Language and Terms and Connectors.   Downloading and exporting content will be covered.

Learning Outcomes

- Browse the home page to establish available content and practice areas
- Learn the benefits of the **Overview of Topic** articles
- Introduce the global search including –
    - How to find a product/database
    - How to find a case by citation & party name/title
    - How to find legislation and specific sections
- Understand the benefits of Natural Language and Terms and Connectors searching.
- Introduce the different search templates
- Filter and refine search results
- Download, print and email information

Session Duration

Approximately 45 minutes

Session Delivery Methods

Microsoft Teams. **Note:** The Webinar session allows the participant to view the trainer's computer screen as they demonstrate research strategies on new Westlaw (Australia). At no time does the trainer access your computer.
