Westlaw Classic (US)
Getting Started

Course Description

This session will introduce Westlaw Classic (US) resources and functionalities*. It will provide an overview of the Westlaw Classic platform content, as well as demonstrate the search functionality to better equip you to efficiently navigate and find primary and secondary sources of law. After this session, users will understand the coverage of content, be able to navigate the platform, and locate relevant resources.
Westlaw Classic content and features are only available with the relevant subscription

This session covers the following:

- Introduction to the platform layout and overview of Resources and Preferences.

- Create customized Alerts and Newsletters to stay updated on legal developments.

- Navigating the Advanced search functionality and setting Federal and/or State jurisdictional parameters.

- Explore the West Topics & Key Numbers system that categorizes case law to quickly find cases related to a particular legal topic.

- Viewing the platform research recommendations that identify patterns in your research session to suggest additional relevant documents and Key Numbers.

- Locate the training and Support materials.

Session Duration
45 minutes.

Session Delivery Method
Online via Microsoft Teams. **Note:** The Webinar session allows participants to view the trainer's computer screen. At no time does the trainer access your computer.
